

THE TWIN RELIC.

Mormons From Utah and New Mexico Invading Mexico.

Booth's Strange Actions Explained—A Contingent of the Old Guard still After Davis—General.

Mormons Going to Mexico.

EL PASO, Tex., April 30.—The Mormon hordes into Mexico has fairly set in, and gives signs of a steady flow from this time forth. About fifty families arrived yesterday, making over a hundred families during the past two weeks. Very few of these who have entered Mexico thus far are from Utah, but come from towns and villages in New Mexico and Arizona. They do not dispute the fact that they are fleeing to Mexico to avoid the laws which they consider the recent laws, which they are notified will shortly be enforced in other localities than Utah. As a rule, these emigrants enter Chihuahua in far better circumstances than the average citizen of that impoverished state. They have already acquired several thousand acres of the best watered lands.

Booth's Dizziness.

NEW YORK, April 30.—The fall of Edwin Booth on the stage of the Academy of Music last night and his peculiar conduct during the performance were much talked about around the theatres today. Several people who saw the performance say that Mr. Booth's actions were wonderfully like those of a drunken man, and that others on the stage hid Booth as much as they could during the last act. Many of the actors who stand around Fourteenth street and Union square professed to know that Mr. Booth has become a heavy drinker of late and that his performances have been marred before, but Mr. Thayer, Booth's manager, said: "Booth had not been drinking; it was an attack of vertigo which unfitted him for work in the rest of the performance. He went through it as well as a sick man could."

Davis Denounced.

ALBANY, N. Y., April 30.—In response to the call issued by General Henry A. Barnum and others, Grand Army men and citizens to the number of 300 met in the assembly chamber tonight to protest against the utterances of Jefferson Davis in his speech at Montgomery yesterday and in the words of the call, to denounce the "resurrection of Davis from the oblivion to which a loyal and patriotic people had consigned him." Speeches were made by General Barnum, Speaker Husted, Senators Kaines, Coggeshall and Smith, Assemblyman Van Allen and others. The assembly sang, "We'll hang Jeff Davis on a sour apple tree."

The following was adopted: Resolved, That treason is odious; that the union of the United States of America and the liberty which the American principle of popular government illustrates is worth the blood of loyal citizens of our country.

The Apache War.

WASHINGTON, D. C., April 30.—The adjutant general of the army has received the following telegram from Gen. Miles, dated at Tucson, Ariz.: "The Apaches in small numbers have been committing serious depredations in the country east and adjacent to the Sonora railway, from 30 to 150 miles south of the boundary, and to-day (April 27) killed one man north of the line, near Chabasco, Ariz. Our troops and thirty men of Mexican troops, under Maj. Holt, have been in active pursuit, both crossing the line and following raiding parties."

Packing-House Shut Down.

MILWAUKEE, Wis., April 30.—John Plankenton & Co's packing establishment was shut down tonight throwing 500 men out of employment. Patrick Cudhay, Mr. Plankenton's partner said: "We have shut down this evening and will not resume operations until after the labor troubles are settled." On being asked if the men had made any demands Mr. Cudhay replied in the negative.

John McCullough's Estate.

PHILADELPHIA, Pa., April 30.—The personal estate left by the late John McCullough, the actor, has been inventoried at \$37,747.49. It includes 200 shares of the Boatmen's Saving bank, of St. Louis, Mo., valued at \$20,400; 240 shares of the American Exchange in Europe, at \$2,000; jewelry valued at \$300, and \$3,347.49 in cash; in the hands of the committee.

A Strange and Terrible Malady.

ROXBURG, W. Va., April 30.—A mysterious and fatal disease has broken out in this place, and physicians are powerless so far to save the lives of any attacked. The victims are first seized with a severe pain in the head, and are comatose within twelve hours. After death the bodies become spotted.

A Joke on Logan.

WASHINGTON, April 30.—Senator Logan has a peculiar way when introducing a wealthy man of mentioning the number of millions his friend is worth. This little eccentricity made him the butt of a joke in an up-town club the other evening. He entered with Senator Hearst, of California, and in introducing the new senator to "Larry" Jerome, of New York, said: "Allow me to introduce you to Senator Hearst, worth \$20,000,000."

"Glad to see you, senator," said the genial New Yorker. "Could you accommodate me with \$5,000 this evening?" Senator Hearst was surprised and Logan was wrathful. He and Senator Hearst left, but Logan returned later in the evening, and approaching Jerome asked him what he meant by insulting a gentleman he introduced him to. "O, did I insult him?" asked Mr. Jerome. "I thought you wanted to touch him for some cash when you told me he was worth \$20,000,000. The loan requested would only be a drop in the ocean to him."

The senator from Illinois retired to cool his heated brow.

THE NECESSITY

FOR THE SPECIALISTS.
DR. WAGNER & CO.

We offer no apology for devoting so much time and attention to this much-neglected class of diseases, believing that no condition of humanity is too wretched to merit the sympathy and best services of the profession to which we belong, and that the physician who devotes himself to relieving the afflicted and saving them from worse than death, is no less a philanthropist and a benefactor to his race than the surgeon or physician who by close application excels in any other branch of his profession. And, for the sake of humanity, the day is dawning when the false philanthropy that condemned the victims of folly or crime, like the lepers under the Jewish law, to die uncared for, has passed away.

YOUNG MEN
Who may be suffering from the effects of youthful follies or indiscretions will do well to avail themselves of this, the greatest boon ever laid at the altar of suffering humanity. Dr. Wagner will guarantee to forfeit \$500 for every case of seminal weakness or private disease of any kind and character which he undertakes to and fails to cure.

MIDDLE-AGED MEN
There are many at the age of 30 to 40 who are troubled with too frequent evacuations of the bladder, often accompanied by a slight smarting or burning sensation, and a weakening of the system in a manner the patient can not account for. On examining the urinary deposits aropy sediment will often be found, and sometimes small particles of albumen will appear, or the color will be of a thin, milky hue, again changing to a dark and torpid appearance. There are many men who die of this difficulty, ignorant of the cause. The doctor will guarantee a perfect cure in all cases, and a healthy restoration of the genito-urinary organs. Consultation free. Thorough examination and advice \$5.
